Unified Solutions is a 501(c)(3) tax-exempt, non-profit organization dedicated to bringing communities together to overcome existing social problems and co-create a world of physical, emotional, social, and spiritual wellness. This agency believes the heart of a healthy community is its willingness to learn and grow in response to its members' needs. To accomplish this, communities must be willing to have deep dialogue, engage in conversations inclusive of all constituents, and listen to and be changed by the truth of the stories that are told.
