Instructions and Application Forms
Instructions for Completing Office of Juvenile Justice and Delinquency Prevention (OJJDP) Applications for Assistance

Juvenile Justice Programs—Fiscal Year 1996

Applying for funds from a Federal agency can be confusing for the first-time applicant. OJJDP prepared these instructions and examples to help alleviate this confusion.

Please note that all of the application forms contain instructions that should be read before filling out the forms. Although we provide extra copies of blank forms in Appendix E, we recommend that you copy the forms for a dry run before completing the final copy.

OJJDP is trying to streamline its funding application process to accommodate the volume of proposals anticipated in response to the solicitations included in this Application Kit. Applicants can assist us by filling out and returning the nonbinding letter of intent included in Appendix A by July 31, 1996. The letter can either be returned via mail using the self-mailer or faxed to 202–307–2093. OJJDP will use these “letters” to forecast the number of Peer Review Panels needed to review competitive applications, and to identify potential conflicts of interest.

Application Requirements

OJJDP prepares specific solicitations that address particular programs and policy goals of the Office. Any application sent to OJJDP must respond to a particular solicitation. Each solicitation stipulates what the application must contain and the selection criteria by which each proposal will be reviewed.

The major parts of the application are:

1. Standard Form 424
2. Project Abstract
3. Budget Detail Worksheet
4. Budget Narrative
5. Program Narrative
6. Assurances and Certifications

Instructions for completing each of the major parts of the application package follow.
1. Standard Form 424

The SF–424 is basically a cover sheet for the OJJDP funding application. No application will be accepted without a complete, signed, original SF–424. A sample copy of this form is included to help you complete your application. Instructions for completing the Standard Form 424 are provided following that form and the sample.

2. Project Abstract

The Project Abstract, limited to 150–200 words, highlights key points of the proposed project. The abstract should briefly present the goals of the project and how the applicant intends to accomplish them.

3. Budget Detail Worksheet

To understand how the grant award will be used by the applicant, OJJDP requires a Budget Detail Worksheet, accompanied by a Budget Narrative, in the application. The Budget Detail Worksheet must break down into more explicit terms the costs associated with the project. It must show how the applicant arrived at the total amount of the requested award. The Budget Detail Worksheet includes:

♦ The position and salary of each person involved in the project and the portion of that salary to be paid from the grant award.

♦ The fringe benefits paid to each staff person.

♦ The itemized travel costs to be incurred due to the project.

♦ Equipment to be purchased with funds from the project.

♦ Supplies required to complete the project.

♦ Consultant and contractor costs.

♦ Other costs, such as office rental, document reproduction, or telephone services.

♦ Any indirect costs established by the Federal government.

♦ A budget summary.

A sample Budget Detail Worksheet is included to assist you with your calculations.
4. Budget Narrative

The Budget Narrative should closely follow the content of the Budget Detail Worksheet. The Narrative must provide justification for all proposed costs. Among other things, the Narrative must explain how fringe benefits were calculated, how travel costs were estimated, why particular items of equipment or supplies must be purchased, and how indirect costs (if applicable) were calculated. The Budget Narrative should refer to the Program Narrative and justify the specific items listed (particularly supplies, travel, and equipment). Finally, the applicant must show that all costs in the application are reasonable.

5. Program Narrative

The Program Narrative should fully describe the expected design and implementation of the proposed program, address the solicitation's specific criteria and/or application requirements, and illustrate how the proposed project identifies and will resolve problems in the community.

6. Assurances and Certifications

OJP Form 4000/3 (Assurances), an attachment to the SF–424, must be included with the application. This form includes a list of assurances that govern the use of Federal funds for federally assisted projects, which the applicant should read carefully and sign before submitting an application.

Applicants should also read and sign OJP Form 4061/6, the certifications form regarding lobbying; debarment, suspension, and other responsibility matters; and drug-free workplace requirements. Signing this form commits the applicant to compliance with the certification requirements under 28 CFR Part 69, “New Restrictions on Lobbying,” and 28 CFR Part 67, “Government-Wide Debarment and Suspension (Nonprocurement)” and “Government-Wide Requirement for Drug-Free Workplace (Grants).” The certifications will be treated as material representations of the facts on which reliance will be placed by the U.S. Department of Justice in making awards. The signed original of this form must be included with the signed original SF–424.

Standard Form 424 (REV 4-88)
Prescribed by OMB Circular A-102
Instructions for Completing the Application for Federal Assistance (SF–424)

The Application for Federal Assistance is a standard form used by most Federal agencies for application for Federal assistance. This form contains 18 different items, all of which are to be completed before your application is reviewed. The Office of Justice Programs (OJP) cannot accept the application without a completed and signed SF–424.

Item 1 Type of Submission: If this proposal is not for construction or building purposes, check the "Non-Construction" box in the application section.

Item 2 Date Submitted: Indicate the date you sent the application to OJP. The "Application Identifier" is the number assigned by your jurisdiction, if any, to track applications. If your jurisdiction does not assign an identifier number, leave this space blank.

Item 3 Date Received by State: Leave blank. This block is completed by the State Single Point of Contact (SPOC), if applicable.

Item 4 Date Received by Federal Agency: This item will be completed by OJP.

Item 5 Applicant Information: The "Legal Name" is the unit of government or the parent organization. For example, the primary or parent organization of a law enforcement agency is the name of the city or township. Thus the city or township should be entered into the Legal Name box and the name of the law enforcement agency would be entered into the Organizational Unit box. One person should be designated as the Contact for the proposed project, and that person's telephone number should also be included. It is not unusual for the name of the contact person to differ from the authorized representative of your agency in Item 18 below.

Item 6 Employer Identification Number: Each employer receives an employer identification number from the Internal Revenue Service. Generally, this number can be easily obtained from your agency's accountant or comptroller.

Item 7 Type of Applicant: Enter the appropriate letter in this space. If the applicant is representing a consortium of agencies, specify by checking Block N and entering "consortium."

Item 8 Type of Application: Check either "new" or "continuation." Check new if this will be your first award for this purpose described in the application, even if the applicant has received prior awards for other purposes. Check "continuation," if the project will continue activities, including minor modifications, or implement the next phase of a project that was begun under a prior award number.
Item 9  Name of Federal Agency: Type in the name of the awarding agency. An example would be "Bureau of Justice Assistance."

Item 10  Catalog of Federal Domestic Assistance Number: Use the number and title of the program under which assistance is requested. See Appendix D for relevant excerpts from the Catalog of Federal Domestic Assistance.

Item 11  Descriptive Title of Applicant’s Project: Type in the: (1) title of the program as it appears in the solicitation or announcement; (2) name of the cognizant Federal agency, e.g., U. S. Department of Education; and (3) applicant’s fiscal year, i.e., 12–month audit period, e.g., 10/1/96 – 9/30/97.

Item 12  Areas Affected by Project: Identify the geographic area(s) encompassed by the project. Indicate "Statewide" or "National," if applicable.

Item 13  Proposed Project Dates: Fill in the start and end dates of the project. These dates may be adjusted by the awarding agency when the award is made.

Item 14  Congressional Districts: Fill in the number of the Congressional District(s) in which the project will be located as well as the Congressional District(s) the project will serve. Indicate "Statewide" or "National," if applicable.

Item 15  Estimated Funding: In line "a," type in the amount of Federal funds requested, not to exceed the dollar amount allocated in the program announcement. Indicate any other resources that will be available to the project and the source of those funds on lines "b–f," as appropriate.

Item 16  State Executive Order 12372: Some states (although, not all), require you to submit your application to a State "Single Point of Contact" (SPOC) to coordinate applications for Federal funds within the State. If your State requires a copy of your application, indicate the date this was submitted. If a copy is not required, indicate the reason. (Refer to the "Administrative Requirements" section of the program announcement, for more information on this issue.) The SPOC is not responsible for forwarding your application to the Federal awarding agency.

Item 17  Delinquent Federal Debt: This question applies to the applicant organization. Categories of debt include delinquent audit disallowances, loans, and taxes.

Item 18  Authorized Representative: Type the name of the person legally authorized to enter into agreements on behalf of your agency. This signature on the original application must be signed in blue ink and/or stamped as "original" to help us distinguish the original from the photocopies.
