### COUNTY-LEVEL COURTS: DETAILED ACTIVITY

GONZALES COUNTY COURTHOUSE GONZALES, TEXAS

### COUNTY-LEVEL COURTS

### **Explanation of Case Categories**

### CRIMINAL DOCKET

A criminal case is defined as one defendant per information. For example, if an information names more than one defendant, there is more than one case: three defendants named in one information equals three cases. If the same defendant receives more than one information, even if for the same criminal episode, there is more than one case: the same person named in four informations equals four cases.

Finally, if an information contains more than one count (Art. 21.24, C.C.P.) only one case per person named in the information is reported. The case is reported under the classification for the most serious offense alleged.

The case-type categories are:

- 1. D.W.I. OR D.U.I.D.: An offense under Art. 6701L-1, V.T.C.S., (Priving While Intoxicated or Art. 6701d, Section 50, V.T.C.S., (Driving Under the Influence of Drugs).
- 2. THEFT OR WORTHLESS CHECKS: An offense under Fenal Code Section 31.03 (Theft) or Section 31.04 (Theft of Service) or any offense of theft or theft of service if the defendant obtained property or secured performance of service by issuing or passing a check or similar sight order for the payment of money, when the issuer did not have sufficient funds in or on deposit with the bank or other drawer for the payment in full of the check or order as well as all other checks or orders then outstanding (Section 31.06, P.C.). Also included are apeals of cases brought under Penal Code Section 32.41—Issuance of Bad Checks.
- 3. DRUG OFFENSES: An offense under the Controlled Substances Act (Art. 4476-15, V.T.C.S.) or the Dangerous Drug Act (Art. 4476-14).
- 4. ASSAULT: An offense under Penal Code 22.01 (Assault) or 22.05 (Reckless Conduct).
- 5. TRAFFIC: Violations of the provisions of Art. 6701d, V.T.C.S. (Uniform Act Regulating Traffic on Highways) and related statutes, except D.W.I. (Art. 6701L-1) and D.U.I.D. (Art. 6701d, Section 50).
- 6. OTHER CRIMINAL: An offense not clearly identifiable as belonging in one of the preceding categories.

### CIVIL DOCKET

A civil case, as opposed to a criminal case, is not dependent on the number of persons involved in a suit. Each separate suit, normally commenced by the filling of the plaintiff's original petition, defines an individual civil case.

The case-type categories are:

1. INJURY OR DAMAGE INVOLVING MOTOR VEHICLE: All cases for damages associated in any way with a motor vehicle (automobile, truck, motorcycle, etc.), with or without accompanying personal injury. Examples include personal injury, property damage, and wrongful death cases. Any type of driver's

license suspension case, however, is not included in this category.

- 2. INJURY OR DAMAGE OTHER THAN MOTOR VEHICLE: Cases for personal injury or damages not arising out of an event involving a motor vehicle. Examples include "slip-and-fall" cases.
- 3. TAX CASES: Suits brought by governmental taxing entities for the collection of taxes.
- 4. SUITS ON DEBT: Suits based on enforcing the terms of a certain and express agreement, usually for the purpose of recovering a specific sum of money.
- 5. DIVORCE: (Applicable only for some County Courts at Law.) Sults brought by a party to a marriage to dissolve that marriage pursuant to Family Code Chapter 3. (Annulments are not reported here, but under All Other Family Law Matters.)
- 6. ALL OTHER FAMILY LAW MATTERS: This category includes all family law matters other than divorce proceedings and those juvenile matters which are reported in the Juvenile Section, including:
  - a. Motions to modify previously granted divorce decrees, or other judgments or decrees, in such matters as amount of child support, child custody orders, and other similar motions which are filed under the original cause number;
  - b. Annulments;
  - c. Adoptions;
  - d. Changes of name;
  - Termination of parental rights (child protective service cases);
  - f. Dependent and neglected child cases;
  - g. Ramoval of disability of minority;
  - h. Removal of disability of minority for marriage;
  - Voluntary legitimation (Section 13.01, Texas Family Code); and
  - All other matters filed under the Family Obde which are not reported elsewhere.
- 7. OTHER CIVIL: All civil cases not clearly identifiable as belonging in one of the preceding catagories.

### JUVENILE DOCKET

Juvenile cases are based upon petitions for adjudication of a child alleged to have engaged in delinquent conduct or conduct indicating a need for supervision (C.l.N.S.) as governed by Title 3 of the Texas Family Code.

### PROBATE AND MENTAL

Probate Causes are governed by the Texas Probate Code. These include matters involving the probate of wills, the administration of estates, and guardianships. A single probate cause may involve more than one person.

Mental Health Causes are governed by the Revised Texas Mental Health Code and other mental health statutes. These include the commitment of mentally ill or alcoholic persons.
