FOREWORD

Presented for your information and use is the 13th annual Law Enforcement Survey.

This survey is produced by the Attorney General's Office and the Association of Sheriffs and Police Chiefs as a service to public officials, law enforcement leaders and others concerned with this most important field. Any comments or suggestions which might improve next year's survey would be most welcome.

We had widespread cooperation and substantial assistance on the part of several persons in preparing this survey, and I would like to specifically thank our law librarian, Phillip G. Bunker, for once again doing an excellent job of managing the project.

Sincerely,

SLADE GORTON
Attorney General
