## STATISTICAL REPORT

for the

COMMISSION ON THE REVIEW OF THE  
NATIONAL POLICY TOWARD GAMBLING

*Statistical Report*

JULY 1974

Submitted by  
Rowland F. Kirks, Director  
Administrative Office of  
the United States Courts

FOREWORD

This statistical report was prepared for the Commission on the Review of the National Policy toward Gambling by the Division of Information Systems of the Administrative Office of the United States Courts.

The tables in Part I present the disposition of defendants charged with gambling offenses (Title 18 U.S.C. 1952, 1953 and 1084) showing type of sentence by district for fiscal years 1967-1973. Part II contains a special series of charts, known as Datagraphs which describe dispositional trends for all federal offenses, counterfeiting, bank robbery, narcotic drugs (excluding marihuana), and gambling for fiscal years 1967-1973. Data on prior record, sex and age for the same five categories of defendants are presented in Part III for fiscal years 1967-1971. In conclusion, Part IV contains two tables providing historical perspectives on the disposition of defendants charged with interstate travel in aid of gambling racketeering and the disposition of defendants charged with federal gambling violations (including lottery).

The preparation of this report was under the direction of James A. McCafferty assisted by Norma Stern, Operations Branch, Division of Information Systems.

  
Rowland F. Kirks, Director  
Administrative Office of the U.S.  
Courts

July, 1974
