

1975

annual report

36625

Faith in America, faith in our tradition of personal responsibility, faith in our institutions, faith in ourselves, demand that we recognize the new terms of the old social contract. We shall fulfill them, as we fulfilled the obligation of the apparent utopia which Jefferson imagined for us in 1776.

FRANKLIN DELANO ROOSEVELT

The Meaning Behind the Badge:

- Eagle - Symbol of American Freedom
- 7 Points - The seven virtues
- Silver and Gold Metal - Purity
- 3 Piece Construction - The 3 Branches of Government: Executive, Legislative, Judicial

DEPARTMENT OF SAFETY

FIRE • POLICE • SHERIFF

OFFICE OF MANAGER
1101 CALIFORNIA
DENVER, COLORADO 80204

1975

The Honorable W. H. McNichols, Jr.
Mayor, City and County of Denver
350 City and County Building
Denver, Colorado 80202

Dear Mayor McNichols:

It is a distinct privilege for me to submit to you the 1975 Annual Report of the Denver Police Department.

The year 1975 saw the addition of several new federally funded programs, such as Anti-Fencing and Project Escort. Many fine officers were promoted, throughout the ranks, strengthening the command structure which, in the past, has been hampered by legal action within our Civil Service system.

We are appreciative of the support and encouragement you have given the Denver Police Department in all its activities.

As we approach our Centennial-Bicentennial year, we glance back into history at our first uniformed patrol and realize how much we have grown. It is with pride that we present this edition, summarizing the accomplishments of the finest Police Department in the country, under the excellent leadership of Chief Arthur G. Dill.

Cordially yours,

Dan P. Cronin
Dan P. Cronin
Manager of Safety

DPC:mm

CITY AND COUNTY OF DENVER

ARTHUR G. DILL
Chief of Police
City and County of Denver

In Dedication

A police officer fallen in the line of duty is a greater diminishment of society because respect for the law and the society he represents dies with him.

DONALD E. DeBRUNO
69-40

BORN: October 5, 1945
APPOINTED: August 16, 1969
SLAIN: December 10, 1975

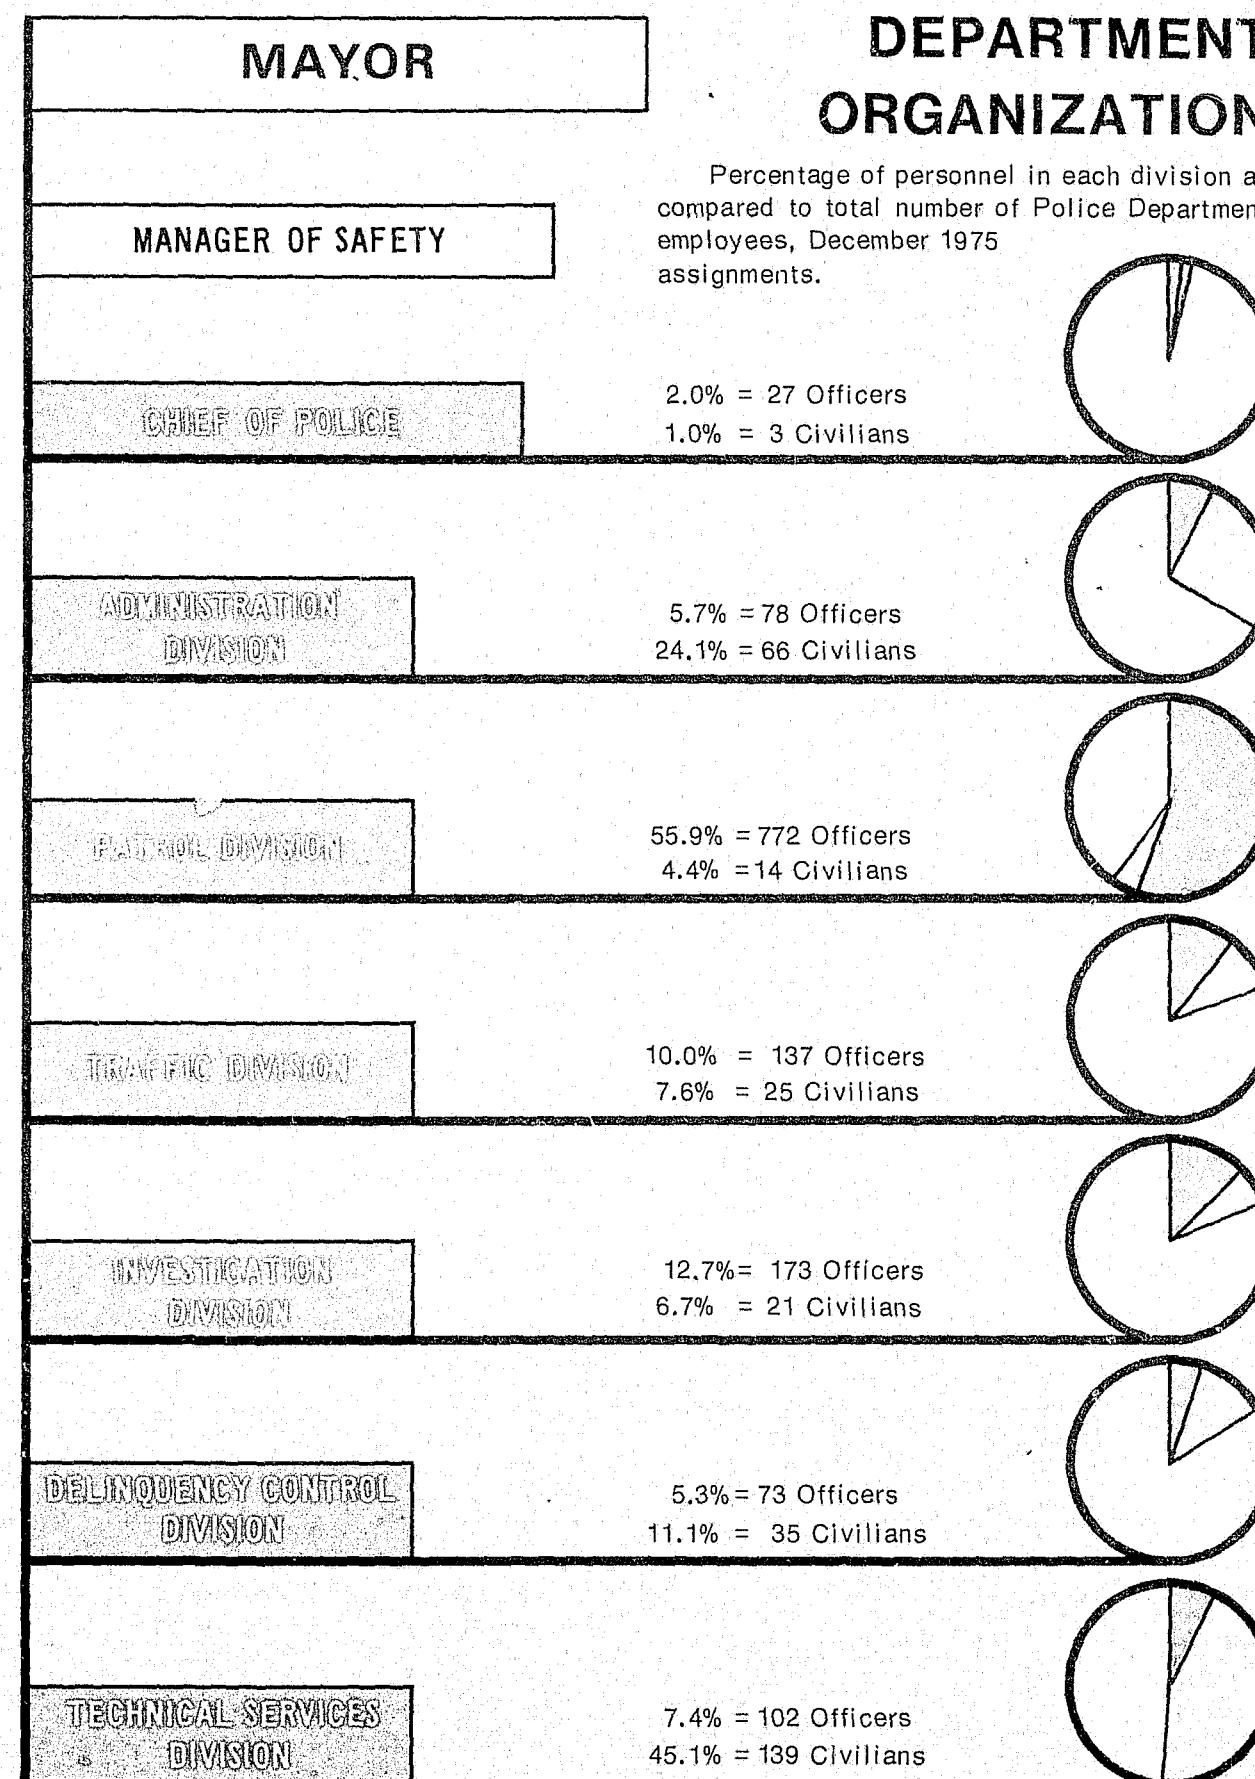

WILLIAM E. SMITH
70-71

BORN: December 31, 1946
APPOINTED: June 15, 1970
SLAIN: January 23, 1975

DEPARTMENT ORGANIZATION

Percentage of personnel in each division as compared to total number of Police Department employees, December 1975 assignments.

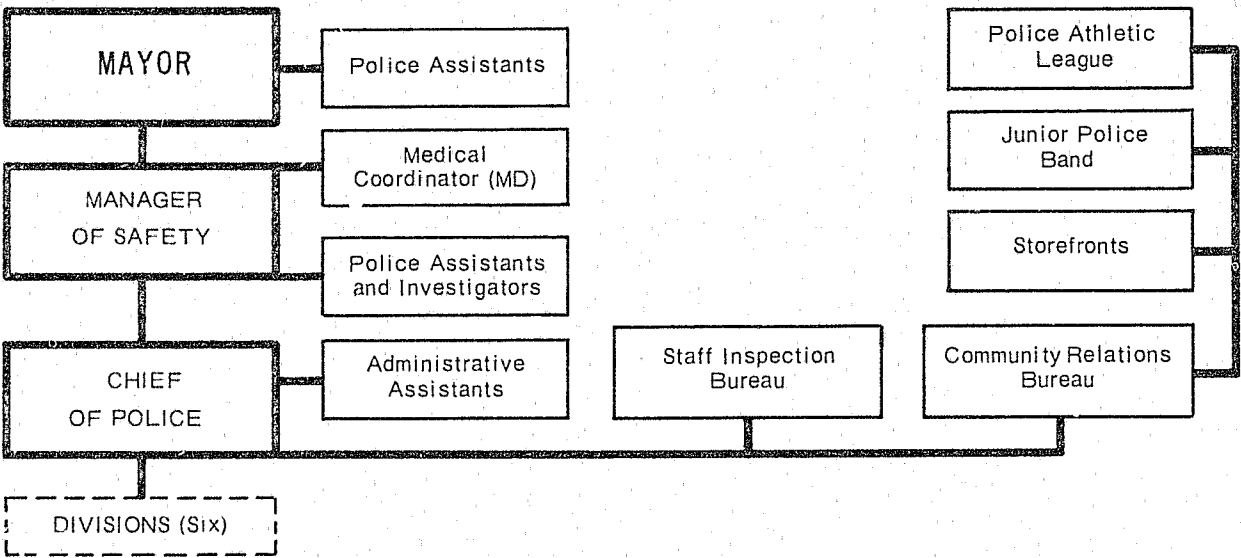

1376 SWORN PERSONNEL 303 CIVILIAN PERSONNEL

NOTE: Fourteen Officers on Special Assignment

ADMINISTRATIVE ASSIGNMENTS

27 OFFICERS - 3 CIVILIANS

The Administrative Assignments comprise 2.0% of the Department's commissioned officers. These officers are assigned within the offices of Mayor, Manager of Safety and Chief of Police. Their functions vary from direct contact with the public to the internal complexities of guaranteeing the integrity of the Department.

THE COMMUNITY RELATIONS BUREAU is dedicated to mutual interdependence of the police department and the citizenry at large for the purpose of developing mutual respect, cooperation and appreciation between the police and the people we serve. Special emphasis is placed on promoting a climate which is highly conducive to greater public involvement, which in turn enhances police effectiveness and capabilities.

THE POLICE ATHLETIC LEAGUE (P.A.L.) presents opportunities for police officers to work with youngsters of impressionable ages. Over 4,700 youth participate in various sports (boxing, baseball, football, judo, track, basketball, etc.) and recreational activities with the objective to communicate more realistically through the medium of sports with the youth of Denver.

STOREFRONTS are police facilities, established in neighborhoods for the purpose of developing closer relationships between police and citizens. Relieving or reducing community tensions by effective communication, confrontation and understanding is a major concern of the police Storefronts. We currently

have four Storefronts, with four officers assigned.

THE JUNIOR POLICE BAND, a police/youth orientated group, performs at numerous civic functions including presidential inaugurations. The band, sponsored by the Denver Police Protective Association, was organized and chartered on June 28, 1937. One police officer is assigned as the executive officer of the band. There are presently 233 youths participating in five separate bands. In conjunction with these is a dance band which performs at numerous functions throughout the year.

THE STAFF INSPECTION BUREAU is directly responsible to the Chief of Police. Its primary responsibility is to maintain the integrity of the Department. Duties are threefold: Accepting and processing citizen complaints and departmentally initiated disciplinary actions, to conduct formal and spontaneous inspections of personnel and to review and approve all written commendations. The commander of the Bureau and command officers from operating divisions comprise the Commendations Board.

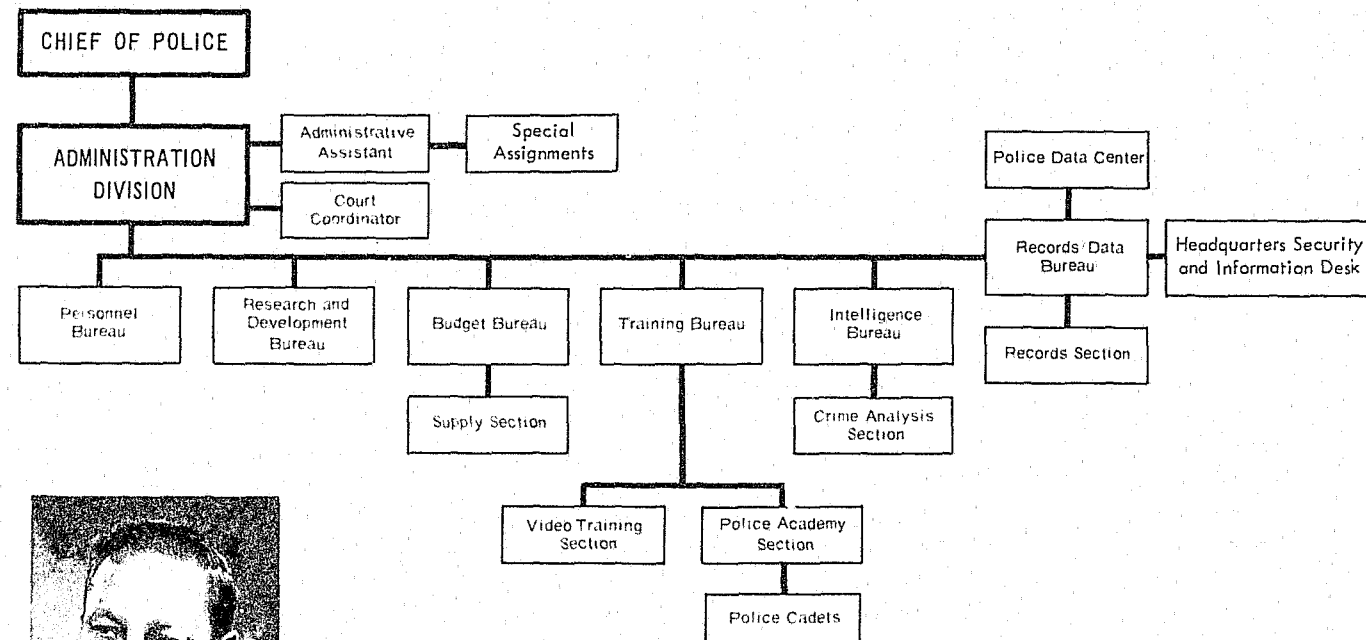

Community Relations

ADMINISTRATION DIVISION

78 OFFICERS - 66 CIVILIANS

William E. Threlkeld
Division Chief of Administration

The Administration Division representing 5.7% of the Department's strength, has the task that tends to regulate the department's interstructure. Personnel assigned to this Division perform functions that insure better cohesiveness of the Department.

THE RESEARCH AND DEVELOPMENT BUREAU develops predetermined courses of action which offer the greatest potential for obtaining the desired goals as promulgated by the Chief of Police. The bureau documents and recommends policies and procedures promoting the efficient operation and administration of the Department and provides guidance and advice on any matters of concern to organization commanders. The work of the bureau is intended to supplement rather than replace planning responsibilities of other divisions.

THE INTELLIGENCE BUREAU is responsible for apprising the Chief of Police on the status of organized crime and other criminal activities. Members of this bureau obtain information and

data on criminal elements or activities when requested by other investigative bureaus.

THE CRIME ANALYSIS SECTION, includes: Crime data input, analysis of crime data, crime information disseminated as output, and feedback and evaluation. One of the most important functions of the Crime Analysis Section is to identify crime trends and predictively project criminal activity.

THE TRAINING BUREAU is responsible for the instruction and training of police recruits. The Training Bureau drafts, processes and distributes training material throughout the department, and is responsible for coordinating the assignment of the police cadets. The Training Academy maintains a staff of 1 lieutenant, 4 sergeants and 8 technicians.

THE VIDEO TRAINING SECTION, utilizing the medium of closed circuit television, professionalizes the department through education and training programs. They have supplied in excess of 3000 hours of training material not only to this department but to other law enforcement agencies throughout Colorado and the nation. The Denver Police Department is the only department in the United States that has the capability of supplying law enforcement training tapes in color, both in a studio and on location sites.

THE RECORDS/DATA BUREAU processes and files all criminal offense reports, traffic accident reports, pawnshop records, moving violation citation copies, officer's log sheets, gun registrations and stolen item records. These records are made available to all law en-

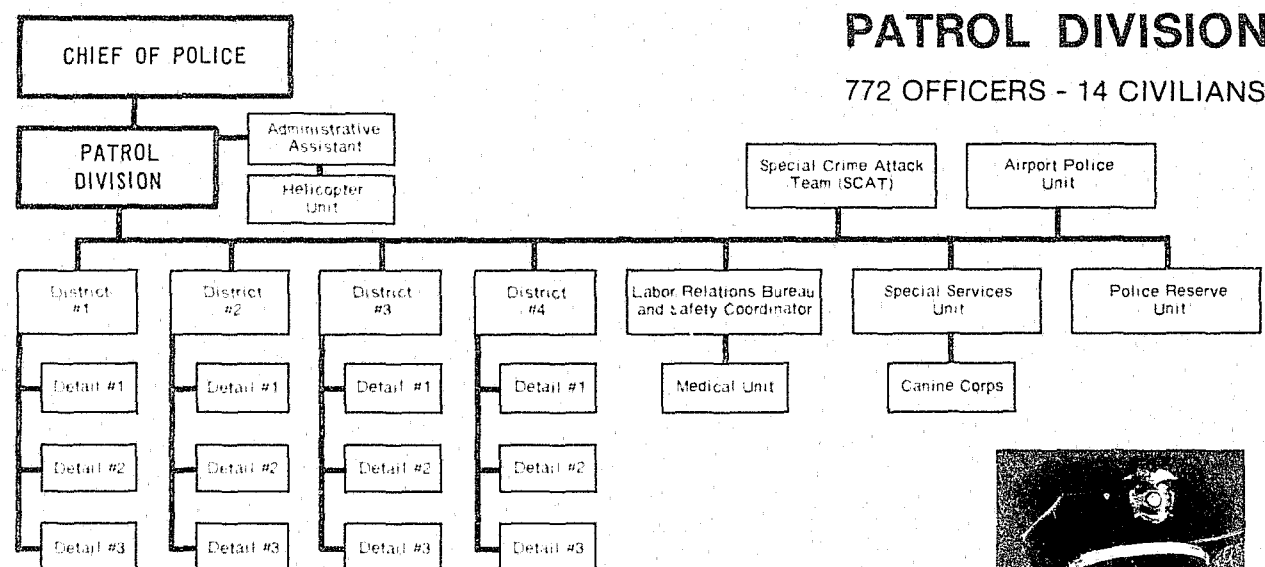

forcement agencies. Public record copies are available in this bureau for any business or individual on request.

THE POLICE DATA CENTER collects and reports departmental information for statistical and administrative utilization. The section is currently updating its capabilities to provide a more sophisticated computerized police program.

THE PERSONNEL BUREAU is the business office of the Department. It is responsible for the maintenance of all police and Career Service personnel records.

THE BUDGET BUREAU prepares the departmental budget, maintains records of, and approves or disapproves all appropriations and expenditures.

Robert L. Jevnager
Division Chief of Patrol

THE SPECIAL SERVICES UNIT is composed of officers specially trained in handling civil disorders. Members of this Unit patrol high crime areas and perform special assignments as directed.

THE CANINE CORPS, consisting of 14 trained police dogs, perform the following functions in the Department: crowd control, building search, tracking, narcotic detection (Marijuana, heroin, and explosive detection (dynamite, black powder, plastics). Three dogs are trained to detect weapons (handguns).

THE AIRPORT POLICE UNIT maintains security for Stapleton International Airport. The Unit is comprised of 36 Denver Police Officers.

THE POLICE RESERVE UNIT is comprised of 52 volunteer citizens, including 4 female officers. Under the command of the Division Chief of Patrol, these personnel who are sworn and commissioned special officers, are used to supplement the Department's field force. The Police Reserve Unit contributed 22,282 man hours and 52,011 patrol miles to the Department during 1975.

The Patrol Division, comprising 55.9% of the Department's strength, is decentralized into four individual sectors — districts one through four. Principal tasks of members in the districts are to enforce the laws and ordinances enacted for the preservation of the peace and for the protection of life and property. District officers routinely patrol the entire city to accomplish this end and to assist the community as may be reasonably necessary in non-police matters.

THE POLICE DISTRICTS — Dividing the city into four parts, the District Stations act as staging quarters and neighborhood police centers. Districts operate on three 8-hour details and are subdivided into 63 precincts ranging from fourteen to nineteen in each district.

THE HELICOPTER UNIT provides observation and support, as necessary, for the successful completion of the total task of the department. Its use and priorities are regulated by the Division Chief of Patrol as approved by the Chief of Police. The Denver Police Department presently has two helicopters in service.

LABOR RELATIONS BUREAU AND SAFETY COORDINATOR Maintain liaison with industrial and labor representatives to keep the Division Chief of Patrol informed of any actual or pending strike situations. The Safety Coordinator maintains liaison with the Safety & Claims Department of the City &

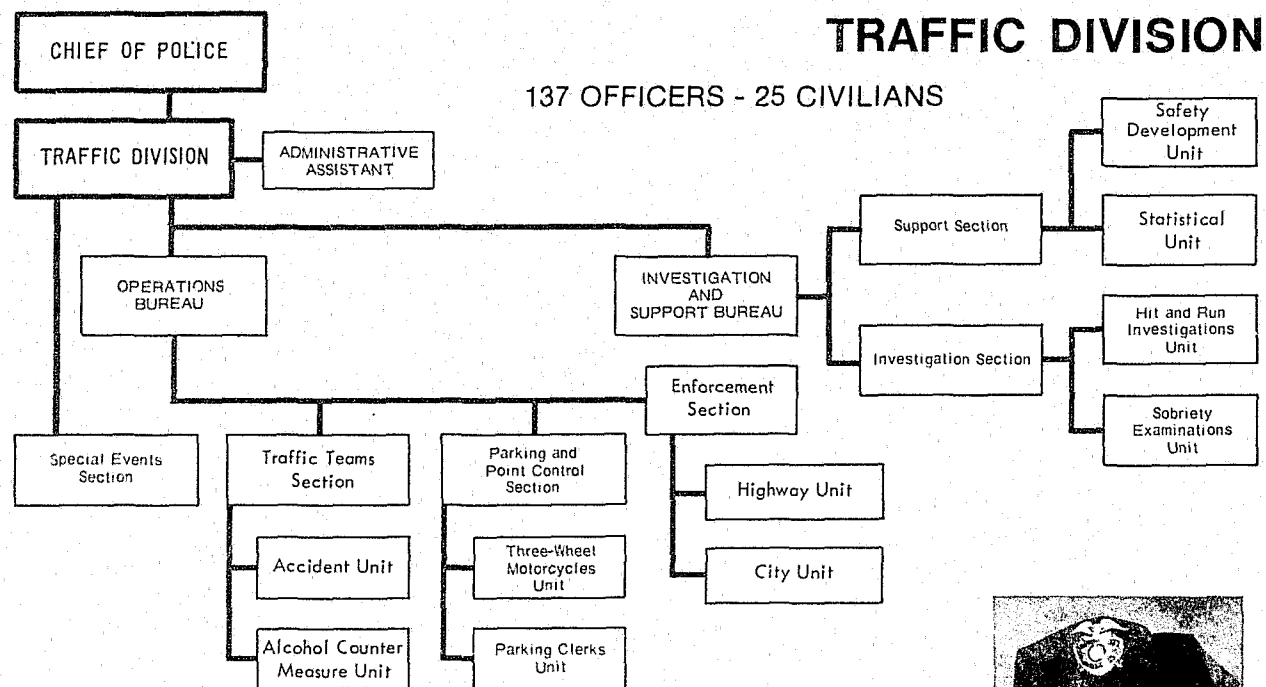

County of Denver and processes and retains a file of all injury reports on police or civilian personnel. The Commander of this Bureau also presides over the Accident Review Board. This Board reviews all police fleet accidents and maintains a file of the officers' driving record. The Board meets twice monthly and makes recommendations to the Chief of Police for disciplinary actions in derogatory cases.

THE MEDICAL UNIT provides a schedule of temporary jobs where long term sick or injured officers can perform limited duty work.

THE SPECIAL CRIME ATTACK TEAM (SCAT) consisting of 40 officers and 1 civilian, is designed for personnel deployment mobility. The Unit is composed of patrolmen, detectives and evidence technicians whose objectives include the overall reduction of robbery and burglary offenses in pre-selected target areas.

Courtesy "Denver Post"

Robert L. Luby
Division Chief of Traffic

The Traffic Division comprises 10.0% of the Department's strength. Principal duties include the control of vehicular and pedestrian traffic throughout the city, the general enforcement of traffic regulations and the secondary investigation of traffic accidents.

THE INVESTIGATION AND SUPPORT BUREAU provides secondary investigations in cases involving hit and run accidents and individuals who are summoned for driving under revocation/suspension. Additionally the bureau is charged with the operation of the breathalyzer and the audio and visual recorder. The bureau is responsible for filing all appropriate charges in traffic cases. A unit of the bureau is responsible for coordinating federally funded programs directed toward traffic safety.

THE OPERATIONS BUREAU has the responsibility for the safe and efficient move-

ment of traffic throughout the city's 32 mile freeway system.

THE INTERSTATE HIGHWAY SECTION

THE HIGHWAY ACCIDENT UNIT investigates traffic accidents on the city's interstate system.

THE HIGHWAY ENFORCEMENT UNIT enforces traffic laws and assists in maintaining efficient movement of traffic on the freeway system.

PARKING AND POINT CONTROL SECTION

THE THREE WHEEL MOTORCYCLE UNIT is charged with parking enforcement functions including crowd control and the safe and efficient movement of traffic at special events. The Unit is comprised of 14 three-wheel motorcycles.

THE PARKING CLERKS UNIT, staffed with 2 police supervisors and 16 civilian enforcement clerks, is responsible for enforcement of parking violations in specified city "problem" locations.

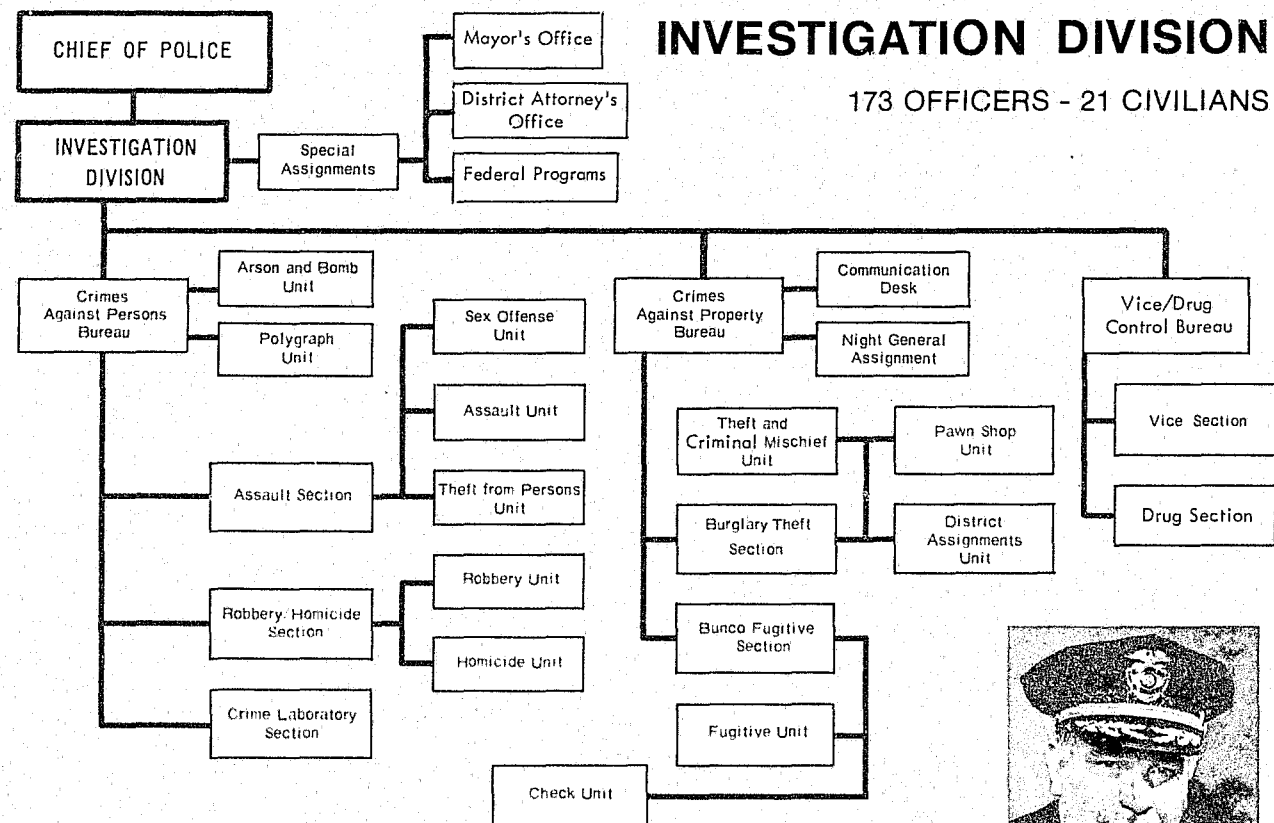

TRAFFIC AND ENFORCEMENT SECTION

A TRAFFIC TEAM UNIT investigates traffic

accidents within the city normally excluding freeway systems. Each team is comprised of an ACCIDENT INVESTIGATION UNIT and a RADAR UNIT.

THE CITY ENFORCEMENT UNIT operates both solo motorcycles and radar cars enforcing traffic regulations in the City and investigates citizen traffic complaints. The department has 35 solo motorcycles and 22 radar units.

THE SPECIAL EVENTS SECTION is responsible for the planning and coordinating of all sporting events, parades, shows, or any other function where crowd control is necessary.

Paul A. Montoya
Division Chief of Investigation

The Investigation Division comprises 12.7% of the Department's strength and has the ultimate responsibility for continuing crime investigations initiated by patrol personnel. Members of the Division interview victims and witnesses of crimes, make surveillances, apprehend suspects, serve warrants and prepare case filings for presentation in court.

THE CRIMES AGAINST PERSONS BUREAU is responsible for investigation of crimes against persons, including homicide, robbery, physical assault, sex offenses and secondary offenses. The Bureau Commander also has the responsibility for deployment of manpower and negotiations in hostage situations.

THE ARSON/BOMB UNIT investigates the malicious burning or attempted burning of property, and all bomb threats, burglaries of explosives, theft of explosives, explosions where there is no fire connected, and the handling and disposal of explosive material. The Bomb Squad responded to 339 bomb calls in 1975. (Explosions - 21, Disarmaments - 24, Hoax Devices - 20, picked up explosives - 73, suspicious packages - 201).

THE HOMICIDE UNIT investigates the unlawful killing of a human being by another human being, all police shootings, and any death not attended by a personal physician.

THE CRIME LABORATORY SECTION collects, preserves and provides laboratory analysis of evidence or contraband recovered at crime scenes. The section is responsible for photographic evidence.

THE ASSAULT SECTION

THE THEFT FROM PERSONS UNIT investigates the removal of property from an owner with the intention of permanently depriving the owner of it.

THE ASSAULT UNIT investigates all cases of attempted or actual bodily harm to another person.

THE SEX OFFENSE UNIT investigates all sex related crimes. The Unit operates on a 24 hour basis investigating all rape offenses soon after perpetration. The utilization of policewomen has proven extremely beneficial to the Unit.

THE BURGLARY-THEFT SECTION investigates all reported incidents of burglary and theft. Detectives of this section interview victims and witnesses, arrest and interrogate suspects and prepare case filings for eventual court presentation. They also recover stolen property and restore it to rightful owners. Personnel inspect pawnshops and second-hand stores for irregularities and improper record keeping.

THE BUNCO-FUGITIVE SECTION investigates and files cases relating to illegal checks

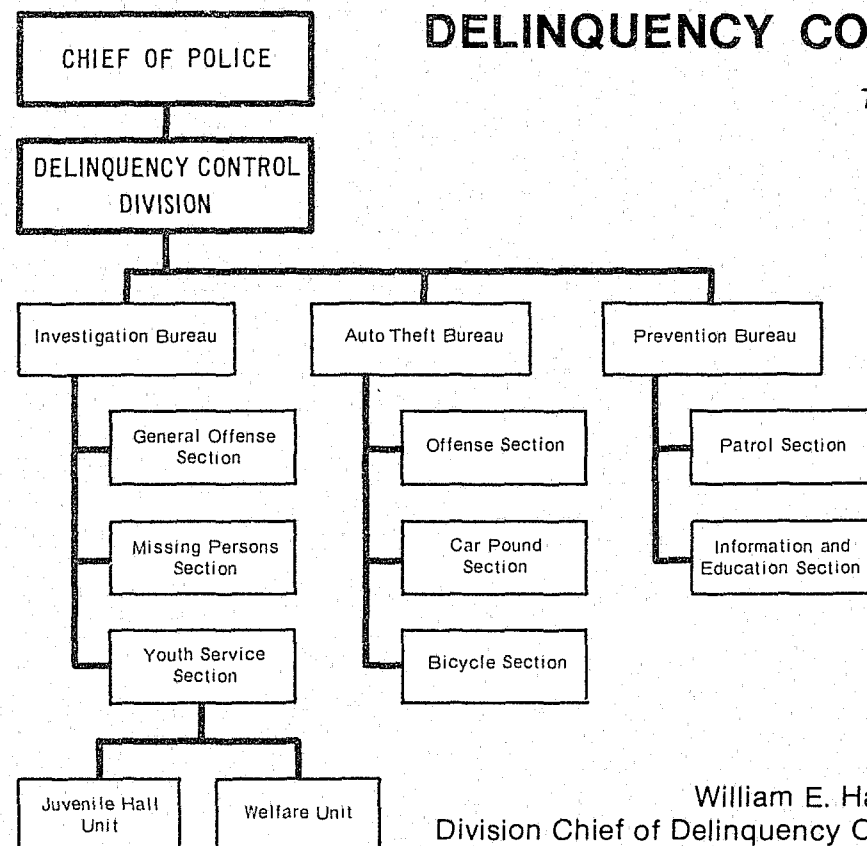

and forgeries. Members also conduct necessary correspondence pertaining to the transfer or extradition of fugitives.

VICE/DRUG CONTROL BUREAU is comprised of two sections.

THE VICE CONTROL SECTION is specifically charged with the suppression of prostitution, pimping, pornography, gambling, bootlegging, liquor license violations and other assorted general vice violations.

THE DRUG CONTROL SECTION has the responsibility for ferreting out narcotic and dangerous drug violations in the city, as well as assisting patrol and surrounding agencies in reducing this menace.

William E. Hallman
Division Chief of Delinquency Control

The Delinquency Control Division comprises 5.3% of the Department's strength. Existing philosophy of Juvenile Court Law is to give a child a hearing and work out a program for his better adjustment in the community instead of giving him a trial and dealing out punishment. The most important principal underlying the approach of the Police and the Judiciary toward juvenile delinquency is the acceptance of the fact that juveniles are not adults.

THE INVESTIGATION BUREAU

THE GENERAL OFFENSE SECTION investigates complaints involving juvenile suspects and assists the Detective Bureau in cases where juveniles are found to be implicated.

THE YOUTH SERVICES SECTION provides liaison with the Welfare Department and Juvenile Hall. They coordinate filing of petitions and court appearances, screen incoming juveniles and represent the police department at detention hearings. It is the responsibility of this section to investigate all complaints of child abuse and neglect cases.

THE MISSING PERSONS SECTION, assigned to the Delinquency Control Division, inves-

tigates all reported missing or runaway persons, including adults.

THE PREVENTION BUREAU maintains twenty-four hour patrol in locations of high delinquency potential. Its members make preliminary investigations when juveniles are involved in crime, including cases of contributing to the delinquency of a minor, child abuse and child abandonments. Personnel enforce curfew ordinances, execute Juvenile Court Orders and supervise juveniles in transit.

THE INFORMATION AND EDUCATION SECTION develops and provides information to students in the public school system, businesses and other interested organizations directly concerned with delinquency prevention. School Resource Officers are in daily con-

tact with juveniles at schools, conducting informative classes on subjects that include: drug abuse, police and the law, child molesting prevention and safety education. In addition, these officers conduct requested counseling and initiate investigations originating in the schools. The Section lectured to over 188,000 students, counseled over 600 students and made 215 investigations during the year.

THE AUTO THEFT BUREAU

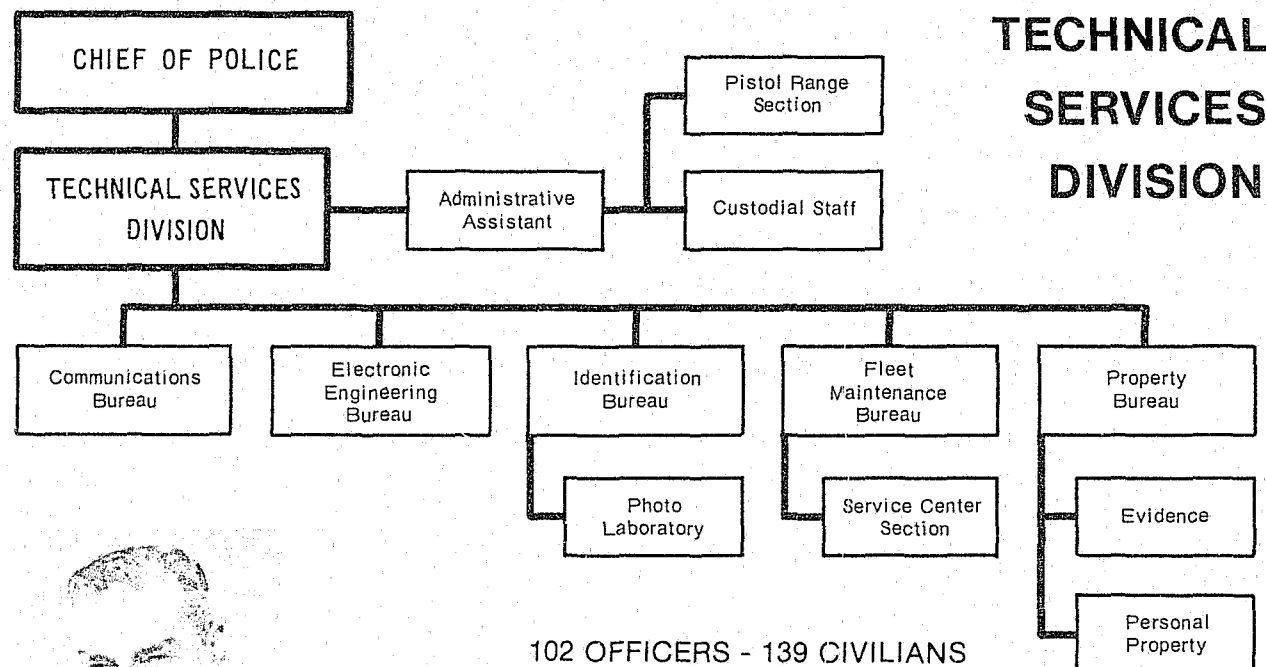

THE OFFENSE SECTION of the Auto Theft Bureau investigates cases of motor vehicle

theft, theft from motor vehicles and malicious damage to motor vehicles. This section conducts secondary investigations on all complaints, both juvenile and adult, where motor vehicles are involved.

THE CAR POUND SECTION manages the impounding, storage and disposition of vehicles that are brought into temporary custody of the police department.

THE BICYCLE SECTION investigates bicycle thefts, thefts from bicycles, recovers and stores stolen and abandoned bicycles.

Doral E. Smith
Division Chief of Technical Services

The Technical Services Division, with 7.4% of the Department's strength, is organized to provide auxiliary service in a manner that accomplishes the total police purpose exactly and expediently.

THE IDENTIFICATION BUREAU originates and maintains all fingerprint, photographic and identification records for the Department. The records include those of criminals, police personnel, city employees and city license applicants. The police photographic laboratory is attached to this section and is responsible for all the department's photographic processing.

THE COMMUNICATIONS BUREAU provides radio and complaint service for the Department. Requests for police service are received by telephone complaint clerks at this office and relayed to officers in the field by police dispatchers. Records are maintained on all calls received and dispatched. This Bureau provides three-way radio communications with patrol cars. In addition to an extensive inter-departmental telephone network, the Bureau has remote inquiry stations providing direct computer access.

THE ELECTRONIC ENGINEERING BUREAU is composed of radio engineers and one Superintendent of Radio Engineers, all of whom hold licenses as required by the Federal Communication Commission. The Bureau is responsible for installation of radio equipment in new vehicles and maintaining all radio transmitting and receiving equipment. Members assure that police radio operations conform to the rules and regulations of the F.C.C.

THE FLEET MAINTENANCE BUREAU is responsible for the reliable operation and general appearance of all departmental vehicles.

THE PROPERTY BUREAU is responsible for the safe custody of non-departmental property in police custody. This property is held because of its evidentiary value; its contraband status; or until ownership can be established.

THE PISTOL RANGE SECTION provides general supervision over the department's firearms training program. Other duties include maintenance of all departmental

weapons, monthly qualifying scores and certification of officer's weapons. Range personnel reload all training ammunition used by the department.

REQUESTS FOR POLICE SERVICE

DISTRICT NO. 1 – 2195 Decatur Street

DISTRICT NO. 2 – 3555 Colorado Blvd.

THE CITY OF DENVER

The City and County of Denver is famous as the "Mile High City", but it actually lies much lower than the general level of Colorado. Located on a plateau near the geographic center of the United States, it sits at the foot of what the Indians called "the shining mountains," well to the east of the front range of the Rockies.

In relation to climate, Denver is situated a long distance from any moisture source and is separated from the Pacific source by a high mountain barrier. Residents enjoy 310 days of sunshine a year and the most comfortable temperature-humidity ratio of any major American city. Normal precipitation averages 14.33 inches annually.

Denver is a growing city and with a Metropolitan population of 1,506,800 (Denver Planning Office estimate), it is the largest city in the Rocky Mountain States. With this growth, there is an increasing need for police officers, dedicated to the highest ideals of police service, eager to be a part of local government that strives to make Denver a pleasant place to live.

Tech. D. R. Hansen,

Medal of Honor. Tech. Hansen, while working at the American National Bank in August, 1974, stopped an attempted robbery although fired upon by the suspect at point blank range.

Officer Thomas E. Stertz,

Medal of Honor. Officer Stertz, while on patrol with Officer Shott in City Park in May, 1974, confronted and stopped a "crazed" gunman, thereby preventing citizens from being shot. Stertz was wounded by one of the gunman's bullets when he hesitated to shoot the gunman because of people in the line of fire.

Officer Steven C. Shott,

Medal of Honor. Officer Shott was injured during a May, 1974, incident in City Park during which he confronted and stopped a "crazed" gunman, thereby preventing citizens from being shot.

THE POLICE MEDAL OF HONOR

THE MEDAL OF HONOR is the highest decoration awarded by the Denver Police Department and is reserved for officers who have performed acts of courage or heroism wherein they gravely risk their lives in the performance of their duties.

The Medal of Honor Award and presentation luncheon ceremony is sponsored by area business firms under the auspices of the Denver Chamber of Commerce.

Served

Honorably

DEPARTMENT HIGHLIGHTS
1975

In March, the Radio Room personnel began taking reports over the phone on minor offenses. This new service will provide a better service to the citizens as well as saving considerable man hours within the Patrol Division.

In April, the Department purchased 83 new Remington Model 870, 12 gauge shotguns for installation in district patrol cars.

In April, the Department awarded twenty officers awards of merit at the annual Medal of Honor ceremony. Three officers received the Medal of Honor, six received the Police Service Cross, awarded for extraordinary acts of heroism and eleven officers received the Community Service Award, given for outstanding initiative in service to the community.

In June, the Research and Development Bureau began work on a new program designed to computerize the Department's Operations Manual. The size of the Manual will be changed to incorporate the printout from a computer. Changes will be incorporated by utilizing section numbers, rather than page numbers. The computerized manual will save the Department \$7.00 a page in printing costs, and will cut the time period in printing to one-half that now needed.

In August, an LEAA funded grant allowed the Department to implement a Scooter Patrol Unit in the Capitol Hill Area. Consisting of 20 patrolmen on small motorcycles, the Unit is responsible for street crime reduction in the areas of Robbery, Rape, Assault and Burglary. Sodium vapor lights have been installed in the area as an additional attempt to reduce the crime rate.

In August, the Department mechanics moved into a new police garage. The 30,000 square foot building encompasses 20 mechanical stalls, 6 repair stations, 2 paint booths, 1 engine repair room, 1 parts room and 1 alignment pit. The garage services 620 police units.

In September, the Denver Police Department hosted the 82nd Annual International Association of Chiefs of Police Conference. Over 8,000 participants took part in the Conference, which was the largest in the IACP history. The Conference was highlighted by talks from Clarence Kelley, Director of the F.B.I. and W.H. Levi, Attorney General of the United States.

In October, a new Anti-Fencing Unit was organized in the Department, funded by a LEAA grant, the 5 man Unit has made over 20 fencing arrests and recovered \$300,000 worth of stolen merchandise.

In November, the Department implemented a motor pool distribution concept for their unmarked units. All unmarked units are pooled at the police headquarters building and checked out to officers as they are needed. The vehicles are returned and available for assignment when the officer returns to the building. The new concept assures an available unit in an otherwise limited fleet.

In December, the Traffic Operations Bureau moved into a new building at Colfax Avenue and Canosa Court. This new complex also encompasses a new 15 stall, 25 yard turning target pistol range.

“A THIN BLUE LINE”
