ACQUISITIONS

INTRODUCTION

Since its beginning in 1959, the Montana Law Enforcement Academy has been the major source of professional training for the peace officers of the state. In addition to Police and Sheriff's officers, members of the Montana Highway Patrol; Fish and Game Wardens; Brand Inspectors; Montana State Prison officers; Department of Revenue Investigators; Fire Marshal's; Gross Vehicle Weight personnel; U. S. Park Service; Forest Service; and Air Force personnel; and officers from Canada and surrounding states are trained at the Academy.

The goal of the Law Enforcement Academy Bureau is to provide Montana's peace officers with professional training on subjects vital to the law enforcement function. In order to achieve this objective, the Academy provides an annual program of schools specifically designed to meet the needs of law enforcement. Table I indicates the Fiscal Year 1978 program.

LEGAL REFERENCES

82A-1202. AGENCIES ABOLISHED - functions transferred to Department. The Montana Law Enforcement Academy Advisory Board, provided for in Title 75, Chapter 52, R.C.M., in 1947, is abolished and its functions are transferred to the department. Unless inconsistent with this act, any reference in the Revised Codes of Montana, 1947, to the Montana Law Enforcement Academy advisory Board means the Department of Justice.

75-5201. ACT, HOW CITED. This act may be cited as the "Montana Law Enforcement Academy Act."

75-5202. PURPOSE. The purpose of this act shall be to establish a Montana Law Enforcement Academy to provide Montana law enforcement officers with a means of securing additional training in the field of law enforcement.

75-5203. ESTABLISHMENT OF MONTANA LAW ENFORCEMENT ACADEMY. There is hereby established a Montana Law Enforcement Academy to be located at one of the units of the University of Montana, which unit shall be selected in the manner hereinafter provided. This academy shall be in session for a period to be annually determined by the advisory board.

75-5204. ELIGIBILITY. All bona fide Montana Law enforcement officers shall be eligible to apply for admission to this academy.

75-5205. ADVISORY BOARD. The Montana Law Enforcement Academy shall be governed by an advisory board composed of one representative of each of the following organizations or departments to be appointed by the president, chief executive or officer in charge of each of the following departments or organizations: The Montana Sheriff's and Peace Officers Association, the Attorney General's Office, the Montana Municipal League, the Montana County Commissioners Association, the Federal Bureau of Investigation, the Montana Police Protective Association, the Montana Highway Patrol, the Montana Fish and Game Commission, the Montana Livestock Commission, the Tribal Police of one of the Indian reservations located in Montana, and that unit of the University of Montana selected as a site for the Academy. The representative appointed by the Montana Livestock Commission shall be duly appointed stock inspector or detective. The tribal policeman serving on the advisory board each year will be a member of the reservation that is designated for representation by a majority of the advisory board. The representative of the university unit shall be selected after the site has been determined by the other members of the Montana Law Enforcement Academy advisory board. The members of the advisory board shall be appointed for a term of one year and shall serve without compensation.

75-5206. POWERS AND DUTIES OF THE MONTANA LAW ENFORCEMENT ACADEMY ADVISORY BOARD. The Montana Law Enforcement Academy advisory board shall have the power and it shall be its duty to:

1. Establish rules and regulations for the government and conduct of the advisory board.
2. Choose a site for the Montana Law Enforcement Academy at the unit of the university system of Montana which in the determination of the board is best suited for the needs of the academy.
3. Establish qualifications for admission to the academy.
4. Select from among the qualified applicants those officers who are to attend the academy each year.
5. Determine the curriculum and methods of training for the officers attending the academy.
6. Select and hire such staff as it deems necessary to implement this act.
7. Establish rules for the conduct of the officers at the academy.
8. Award appropriate certificates to the officers who successfully complete their training; which certificate shall be signed by the president of the selected university unit.
9. Provide for the keeping of permanent records of enrollment, attendance, graduation and such other records as the board may deem necessary.
10. Make a yearly report in writing of the activities of the academy. Copies of this report shall be sent to the governor, attorney general, and secretary of state of the state of Montana.
11. Do all other things necessary desirable for the establishment and operation of the academy not inconsistent with this act or the constitution and statutes of the state of Montana.
12. Accept and expend grants from federal, state, county and city governments or private persons, associations or corporations.

75-5207. RIGHTS OF OFFICERS ATTENDING ACADEMY. All officers shall be paid their regular salary during their attendance at the academy, and time spent in such attendance shall not be deducted from the vacation to which any attending officer is entitled. No officer shall lose any pension, seniority or other rights by reason of attendance at the academy.

75-5208. EXPENDITURE OF FUNDS. The expenditure of funds by any city, town, municipality or county for the board, room and travel expenses of the officers attending the academy shall be a lawful expenditure.

As can be noted above, the number of schools declined by about 20% from FY77. This is primarily attributed to the lack of necessary LEAB personnel to meet the demand for professional training. Although the number of schools declined by 20% total attendance was down by only 3 1/2%.

Several new schools were offered in FY78. These included Bomb School, Advanced Weapons, Defensive Tactics Instructor and Juvenile Procedures.

In order to assist law enforcement agencies with the statutory requirements of Sec. 11-1855 - 11-1859, RCM (the "Reserve Act") which became effective July 1, 1977, the LEAB acquired a Board of Crime Control grant to provide training assistance. Under this program, the LEAB provided training aids and equipment to agencies conducting reserve training. The Academy also presented a Reserve Force Coordinators Course to prepare agency representatives for their duties under the Act. This course was attended by 21 officers.

The problem concerning the location of the LEAB was resolved by Attorney General Greely. Following his decision to retain the Academy at Bozeman, but off the MSU campus, the Gallatin County Commissioners agreed to provide land at the Rosary school site which was acquired by the County in June. An agreement was also reached whereby the Academy would lease eight modular buildings, for office, classroom and dormitory, which will be placed on the Rosary site.
