OHIO CRIME VICTIM
REPARATION PROGRAM REPORT

This report on the Ohio crime victim reparations (compensation) program covers fiscal year 1981. The last report included preliminary information for the first six months of fiscal year 1981. In this report amounts from fiscal years 1979 and 1980 are included on the tables in order to provide perspective and to show the growth of the program.

This report is a presentation of the information required by R.C. 2743.69. The information is divided into two types of statistical data about the reparations program and appears on tables similar to those used in the last report. Table A, "Reparations Claims Data", summarizes the activity of the claims themselves. Table B, "Reparations Special Account Data", summarizes expenditures made from the reparations special account. Appendix I lists awards and denials and specifies the amount of each award. Appendix II lists by source and amount the money that has been deposited in the special account during fiscal year 1981. Note, as indicated on Table A, that "the amount asked in each claim" and "the average size of claims" are unavailable because claimants do not ask for specific monetary relief.

For the second fiscal year in a row, awards (without considering attorney fees and administrative costs) have exceeded deposits. The balance in the fund has dwindled from a maximum of \$6,769,189 on March 31, 1979 to \$537,204 at the end of June, 1981. It is anticipated that legislative changes will be made during fiscal year 1982 to insure the continued financial stability of the fund.

Further background information about the reparations program can be found in earlier reports. Additional copies of those reports and of this report are available from the Office of the Clerk of the Court of Claims upon request.

APPENDIX I

Appendix I is a chronological listing of the decisions announced by the Court of Claims from July 1, 1980 through June 30, 1981.

It must be noted that the addition of all of the awards listed in this appendix will not yield an accurate total of awards paid during fiscal year 1981 because, inter alia, some of the awards have been appealed, some have been modified or reversed, some have been refused, some have been complicated by the death of the applicant, etc. Overall program totals of awards journalized may be obtained from Table A, and overall totals of awards actually paid may be obtained from Table B.

* * *

Several abbreviations are used in this appendix and have the following meanings:

- D = claim denied;
- R(or Re) = referred back to Attorney General for further investigation;
- DR = denied in part; referred back in part;
- OR = order sent out requesting further information;
- con. w/ = consolidated with case number.

APPENDIX II

Appendix II is a listing of court costs collected pursuant to R.C. 2743.70 which were received by the Treasurer of State for deposit into the Reparations Special Account during fiscal year 1981. Because the Treasurer's report is done on a calendar year basis, it is necessary to include two reports (December 1980 and June 1981) to cover fiscal year 1981. The receipts are listed by court of collection.

A listing of the total monthly deposits to the fund during fiscal year 1981 is also included.
